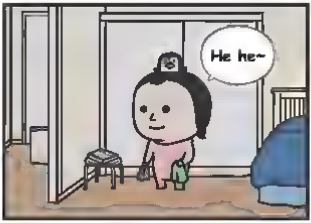
Mev's Show Time

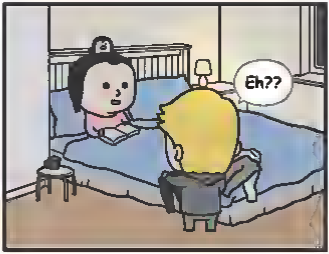
I have a small stool
next to the bed.



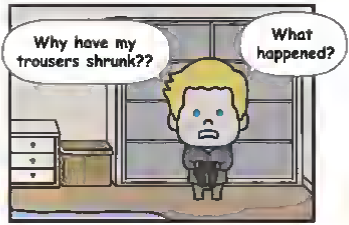
I normally put a book that
I'm reading or the clothes that
I wore that day on it.

One day, I wanted to put
a cup of tea on the stool so
I put my leggings on the end of bed.

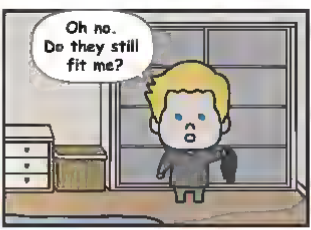
Mev came in the bedroom
to get ready to sleep

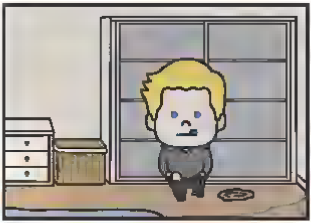


Then, he held up my leggings that was with his suit that he took off earlier.



He started to joke about it.

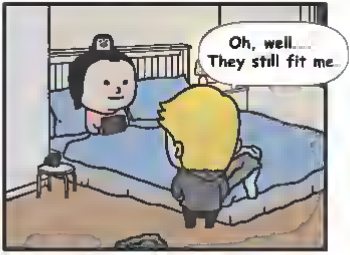




He tried my leggings on.

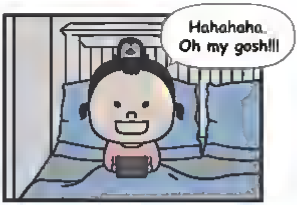
I look good. Yeah?
I've got handsome legs.

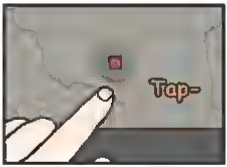
I look like a ballerina.
Ha ha ha.



Oh, well.....
They still fit me.

I'll wear them
tomorrow.





I succeeded in filming it.
